ORDER

This matter is before the court on the defendant's *pro se* motions brought pursuant to 18 U.S.C. § 3582(c) [Docs. 105, 113]. The government has filed a response deferring to the court's discretion as to the amount the defendant's sentence might be reduced [Doc. 112]. The court also has received a modified presentence report from the United States Probation Office.

The defendant was sentenced by the Honorable James J. Jarvis on January 22, 1999, to 180 months imprisonment for conspiracy to distribute crack cocaine and for possession of a firearm by a convicted felon. This sentence was based on a guideline range of 151-188 months (base offense level 29 and a criminal history category VI). According to the Bureau of Prisons, the defendant is scheduled for release on January 21, 2012.

Under the retroactive amendment to the crack guidelines, the defendant's new guideline range is 140-175 months (base offense level 28 and a criminal history

category VI). Thus, a comparable sentence near the top of the of the guideline range would be 168 months.

It is hereby **ORDERED** that the defendant's motions [Docs. 105, 113] are **GRANTED**, and the defendant's sentence is reduced to 168 months. If this sentence is less than the amount of time the defendant has already served, the sentence is reduced to a "time served" sentence. This Order shall take effect ten (10) days from its entry in order to give the Bureau of Prisons time to process the release of the defendant. Except as provided above, all provisions of the judgment dated January 22, 1999, shall remain in effect.

The Comprehensive Crime Control Act became Law in November 1, 1987. The two most significant changes in the sentencing statutes deal with good time and parole issues. There are no provisions under the new law for parole. The only good time available will be 54 days per year good conduct time. This may not be awarded until the end of the year, and may be awarded in part or in whole, contingent upon behavior during the year. Once awarded, it is vested and may not be forfeited. There is no statutory good time or extra good time for people being sentenced for crimes committed after November 1, 1987.

VCCLEA & PLRA SENTENCE INFORMATION:

As a result of the passage of the Violent Crime Control and Law Enforcement Act of 1994 (VCCLEA), and the Prison Litigation Reform Act (PLRA), the following information applies to inmates considered to be violent offenders.

VCCLEA applies to inmates with an offense date on or after September 13, 1994 but before April 26, 1996.

PLRA applies to inmates with an offense date on or after April 26, 1996.

PLRA sentences will be aggregated with other PLRA sentences but not with any other sentence. (Old law, SRA, VCCLEA)

Good Conduct Time (GCT), will not vest for a VCCLEA inmate when the inmate is in GED UNSAT status.

GCT will not vest for PLRA inmates until the end of their sentences and a PLRA inmate in GED UNSAT status on their anniversary date will only be awarded up to 42 days of GCT for each year he /she remains in UNSAT status.

GED UNSAT status will result if an inmate refuses to enroll in the literacy program, receives an incident report for conduct withing the literacy program, or withdraws from the literacy program.

All inmates are required to remain in the literacy program until completion. Should an inmate drop out and re-enroll later, his status will remain GED UNSAT until he has completed an additional 240 hours of literacy programming.

Un-vested GCT will be available for forfeiture (as with old law inmates). The DHO may apply GCT disallowances and forfeitures as follows: For a GED UNSAT VCCLEA sentence and PLRA sentence, all GCT for the current year may be disallowed and for forfeited for all prior years not vested. For VCCLEA sentences that change from GED UNSAT to a non-GED UNSAT status, the DHO may disallow GCT for the current year but he may not forfeit for prior years.

VCCLEA inmates convicted of violent offenses and all PLRA inmates must demonstrate exemplary compliance with institution disciplinary regulations in order to earn GCT. In disciplinary proceedings for VCCLEA violent and PLRA inmates the DHO must:

- ▶ disallow at least 41 days of GCT for 100 level violations
- ▶ disallow at least 27 days of GCT for 200 level violations
- ▶ disallow at least 14 days of GCT for 300 level violations
- ▶ and ordinarily disallow 7 days on the third act of a 400 level

MEMORANDUM FOR B. A. BLEDSOE, WARDENFROM: Dave Brewer, Unit Three Manager SUBJECT: **EXCLUSION FROM RESIDENTIAL REENTRY CENTER PLACEMENT**
RE: HOLMES, Adrian
Reg. No. 16553-074

THRU: David Young, AW(P)

The Unit Team has reviewed the above referenced inmate's case and is **not** recommending the inmate for participation in a Residential Reentry Center (RRC). This decision is based on the Unit Team's individual evaluation of inmate Holmes case in accordance with the Second Chance Act of 2007. Inmate Holmes, Adrian Reg. No. 16553-074, arrived at USP Lewisburg's Special Management Program on May 12, 2009, as a Special Management Unit program transfer from USP Florence. He has a projected release date of April 1, 2011, via Good Conduct Time release procedures.

Comments: Inmate Holmes is a High security level inmate being released from federal custody on April 1, 2011. Inmate Holmes has a current detainer lodged against him from the State of Tennessee for voluntary manslaughter.

Therefore, the Unit Team is recommending inmate Holmes not be afforded the opportunity to participate in a Residential Reentry Center.

Please advise if you concur with our recommendation.

Inmate Name: **Holmes, Adrian** Reg. No.: **16553-074**Projected Release Date: **April 1, 2011** Unit: **Brewer SMU**

Pursuant to the "Second Chance Act of 2007", the unit team is reviewing the above referenced inmate on an individual basis for Residential Re-Entry Center (RRC) placement. The following criteria was considered when making the RRC recommendation:

1. The resources of the facility contemplated; _____ N/A
2. The nature and circumstances of the offense; _____ N/A
3. The history and characteristics of the prisoner; _____ N/A
4. Any statement of the court that imposed the sentence;
(a) concerning the purposes for which the sentence to imprisonment was determined to be warranted; or (b) recommending a type of penal or correctional facility as appropriate; _____ N/A
5. Any pertinent policy statement issued by the U.S. Sentencing Commission. _____ N/A
6. Whether the inmate completed (a) Inmate Skills Development programming; _____ N/A
(b) non-residential Drug Abuse Treatment Program (DAP) _____

As a component of the above factors, Unit Team has considered the inmate's need for services, public safety and the necessity of the Bureau to manage its inmate population, as outlined in Program Statement 7310.04, Community Corrections Center Utilization and Transfer Procedure.

As a result of the Unit Teams review of the aforementioned criteria we recommend a RRC placement of: **NONE**. This placement recommendation is of sufficient duration to provide the greatest likelihood of successful reintegration into the community.

DECLARATION OF MICHAEL S. ROMANO

1. I am currently employed by the Federal Bureau of Prisons (hereafter "BOP"), and assigned to the United States Penitentiary, Lewisburg, PA(hereafter "USP Lewisburg"). I began employment with the BOP in 1991 as a Correctional Officer and was in that capacity through 2000. I returned to the Bureau of Prisons in May, 2006, as an Attorney Advisor. I remain in the capacity of Attorney Advisor assigned to USP Lewisburg. As a part of my duties and responsibilities, I have access to inmates' records, electronic data maintained on the BOP's SENTRY computer system, Administrative Remedy data, BOP Program Statements, and PACER. I certify that the Attachments referenced herein are true and accurate to the best of my knowledge. I make this declaration in support of defendant's response to Plaintiff's Motion in Opposition to Motion to Dismiss or in the Alternative, Motion for Summary Judgment.

2. The Prison Litigation Reform Act requires inmates to fully exhaust their available administrative remedies before seeking relief in cases involving prison conditions.

42 U.S.C. § 1997 e(a). The BOP has promulgated an administrative remedy system which is

codified in 28 C.F.R. §§ 542.10, et seq., and BOP Program Statement 1330.16, Administrative Remedy Program. The administrative remedy process is a method by which an inmate may seek formal review of a complaint related to any aspect of his imprisonment. 28 C.F.R. § 542.10. To exhaust his remedies, an inmate must file an administrative remedy with the Warden, Regional Director, and General Counsel. The inmate is required to first address his complaint to the Warden within 20 calendar days following the date on which the basis for the request occurred.

28 C.F.R. § 542.14. If the inmate is dissatisfied with the Warden's response, he may appeal to the Regional Director within 20 calendar days of the date the Warden signed the response.

28 C.F.R. § 542.15. If dissatisfied with the Regional Director's response, the inmate may appeal to the General Counsel within 30 calendar days of the date the Regional Director signed the response. 28 C.F.R. § 542.15. Once an inmate receives a response to his appeal from the General Counsel after filing administrative remedies at all three levels, his administrative remedies are exhausted as to the specific issue raised. The inmate may then file a civil action if he is dissatisfied with the General Counsel's response, and has completed the administrative remedy process at all three required levels. See BOP Program Statement 1330.16, available for review at www.bop.gov.

3. All codified BOP Program Statements are available for inmate access via the institution law library, including BOP Program Statement 1330.16, Administrative Remedy Procedures for Inmates.

4. The Plaintiff in this action is The Plaintiff is a federal inmate currently confined in the United States Penitentiary, Lewisburg, Pennsylvania (USP Lewisburg). The Plaintiff is currently serving a sentence of 168 months term of imprisonment for possession of cocaine base and felon in possession of a firearm. His sentence was imposed by the United States District Court, Eastern

District of Tennessee. He has a projected release date of April 1, 2011.

See Attachment A, Public Information Inmate Data.

5. The Plaintiff filed the instant matter with the court on May 14, 2010. Plaintiff represented to the court that he attempted to exhaust the Administrative Remedy process as to the issue raised in his Complaint. A review of the Sentry data base reveals Plaintiff has filed 23 administrative remedies. He completed the process with in one remedy which was unrelated to the issue raised in this Complaint. Records reveal Plaintiff attempted to file a remedy directly with Central Office on May 11, 2010 (Remedy No. 592904-A1). The allegation was that staff abused their authority and tried to kill/assault him. The remedy was rejected for filing at the wrong level.

See Attachment B, Administrative Remedy Generalized Retrieval.

6. Therefore, he did not properly exhaust on the issues raised in Plaintiff's complaint.

7. Records indicate on March 1, 2010, Defendant Trate (Captain) was made aware of the disruptive behavior and threats against staff made by the Plaintiff and his cellmate by the shift lieutenant. Defendant Trate requested authorization from Defendant Bledsoe (Warden) to assemble a Use of Force Team to gain control of the inmates. Warden Blesoe authorized the assembly and use of a Use of Force Team. The Plaintiff and his cell mate were initially responsive to the confrontation avoidance procedures and submitted to restraints. When removed from the cell the Plaintiff resisted and had to be placed against the wall to regain control of him. Plaintiff was medically assessed following the incident. **See Attachment C, Form 583, Report of Incident, dated March 1, 2010.**

I declare under penalty of perjury pursuant to 28, United States Code, Section 1746,
that the foregoing is true and correct to the best of my knowledge, information, and belief.

Executed this 9th day of July, 2010.

Section 6: Description of Incident

DESCRIPTION OF INCIDENT (If Use Of Force, include details such as name of supervisor applying the chemical agent and/or restraints, reasons for use of hard restraints instead of soft restraints, etc.) Please be clear about cause(s) of the incident in your description.

On March 1, 2010, at approximately 2:48 p.m., the Warden authorized a Use of Force Team be assembled, and inmates Adrian Holmes' #16553-074 and Jerome Brown's #08214-062 placement into ambulatory restraints due to their disruptive behavior and displaying signs of imminent violence. Specifically, both inmates refused to relinquish their food trays from the noon meal, and made threatening statements towards staff, while housed in D-Block cell #202. Confrontation avoidance procedures were initiated, with positive results. Both inmates submitted to hand restraints. As the Use of Force Team took control of inmate Holmes to escort him from the cell, he became resistive and attempted to pull away from the escort, causing the Use of Force Team to place him against the wall to regain control. Both inmates were then escorted to the second floor shower area, where they were placed into ambulatory restraints, medically assessed, and escorted back to cell #202, where they remained in ambulatory restraints. Inmate Holmes' medical assessment noted a small abrasion to his right eyebrow. Inmate Brown's medical assessment noted no injuries. No staff injuries were reported.

1. Nature of Complaint (to be completed by inmate):

Here Comes Mr. HOLMES #16SS3-074 Giving Acknowledgement That There Is A Birth Of "Plain Error" As Of Now To My Release Date: HISTORY: The Courts' Made A Decision Then The Judge Made A ORDER Then Forward The ORDER To (DSCC) Designation And Sentence Computation Center Which The ORDER Were Done: Sign By: Grace Wood-Coleman Dated: 12-14-2009 Time: 12:15:56 - 06:00 - The ORDER Were For A 12 Months Reduction - (FACT FINDING) The Original Time Set Forth Impose By The Court Was 180 months (15yrs) Full Expiration Term Date - The Year Of 2013, With Prior Credit: 362 G.C.T. Starts At The Year Of 2011 - Now Once The 12 Months Reduction Were Put Into Effect Which Made The Time Change (14yrs) Full Expiration Term Date became: 2012 Also G.C.T. Became 2010 - The Reason Why Mr. HOLMES #16SS3-074 Was NOT Release In The Year Of 2010 Because His Earned Good Time Puts Him At 04-01-2011 "PURE FACTS: Earned Good Time CAN NOT Be Tempred With NOR Can Future G.C.T. Be Taken ONLY 54 DAYS For That Said Year." - Mr. HOLMES #16SS3-074 ONLY Has (168 months (14yrs)) An Serving 13yrs As Of Now. The "PLAINERRA" IS Why Was My Release Date Changed From 04-01-2011 (April) To Now 06-23-2011 (June) Which Was Done 08-30-2010? You Can't Take Earned Good Time Credit From ME.

SOLUTION: Change The "PLAINERRA" And Correct It By Putting My Release Date Back AT 04-01-2011.

Respectfully

Mr. Holmes #16SS3-074
